

Topic Ideas and Information

Woodpecker
Class

Summer
2024

Show what you know...

Due in – 3rd July 2024.

Complete one piece of topic work at home this term to show your learning about The seaside. You can choose what you create and how you present it. Please take care over your topic work and produce something you can be proud of. Of course, you can do more than one of these over the term if you want to.

Some ideas to get you going... paint/sketch/collage a picture, make a rock pool, create your own seaside creature and write an information leaflet about it, make your own postcard, cook some seaside related goodies, write a poem, letter, story, rap or song about going to the seaside. Create a film, PowerPoint or word document.

Theme ideas – the seaside during different seasons, Seaside holidays, geographical features of the seaside, The seaside around the world, Modern beaches and beaches back in time, our local beaches - investigate the Jurassic coast anything that you are interested in!!

Getting out and about

Why not visit one of our local beaches? Have a look at

<https://www.nationaltrust.org.uk/lists/50-things-activities-at-the-beach>

How many of The National Trust's "Top 10 things to do at the beach" can you do?

<https://activeforlife.com/21-active-beach-games/> - a website with 21 ideas for beach games.

Computer Corner:

<http://www.westbay.co.uk/> there is loads of information on here and webcams to look at.

<http://www.lymeregis.org/webCam.aspx> a really interesting webcam that you can control.

[#pooH5dz4](http://www.bbc.co.uk/nature/habitats/Tide_pool) bbc videos about rock pools

Competition time!

I challenge you to find as many words as you can in

WESTBAY BEACH

2 marbles to the person who finds the longest word!

2 marbles to the person who finds the most words!
