

National Year of Reading 2026 – Poster Competition

To celebrate the **National Year of Reading 2026**, children at **Sticklands Primary School** are invited to take part in a **poster design competition** promoting our love of reading.

Children should create an eye-catching poster that encourages reading and celebrates our school's involvement. Posters will be judged on creativity and how clearly they share a positive message about reading.

KS1 ideas: drawings of favourite books or characters, children enjoying reading, or simple phrases such as *“Reading is fun!”*

KS2 ideas: bold slogans, reasons why reading matters, or creative designs showing where reading can take you.

Posters should be the child's own work and have their name and class on the back. Winning entries will be displayed around the school.

Thank you for supporting our reading celebrations!
